## Neurolingo as a sponsor at the EACL 2009 Conference

Πέμ, 26/02/2009 - 12:54 — webmaster

Neurolingo is one of the sponsors of the 12th Conference of the European Chapter of the Association for Computational Linguistics (EACL 2009).

**EACL 2009** covers a broad spectrum of disciplines working towards enabling intelligent systems to interact with humans using natural language, and towards enhancing human-human communication through services such as speech recognition, automatic translation, information retrieval, text summarization, and information extraction.

**EACL 2009** will be held in Athens, Greece. The conference is organised by the <u>National Centre for Scientific Research (NCSR) "Demokritos" - Institute of Informatics & Telecommunications [1], with the support of the <u>Athens University of Economics and Business - Department of Informatics [2] and the Institute for Language and Speech Processing [3]. It will take place at the <u>Megaron Athens International Conference Centre</u> [4].</u></u>

For more details about the conference, visit the official website of EACL2009 [5].
