Neurolingo as a sponsor at the EACL 2009 Conference

Thu, 26/02/2009 - 12:54 — webmaster

Neurolingo is one of the sponsors of the 12th Conference of the European Chapter of the Association for Computational Linguistics (EACL 2009).

EACL 2009 covers a broad spectrum of disciplines working towards enabling intelligent systems to interact with humans using natural language, and towards enhancing human-human communication through services such as speech recognition, automatic translation, information retrieval, text summarization, and information extraction.

EACL 2009 will be held in Athens, Greece. The conference is organised by the National Centre for Scientific Research (NCSR) "Demokritos" - Institute of Informatics & Telecommunications [1], with the support of the Athens University of Economics and Business - Department of Informatics [2] and the Institute for Language and Speech Processing [3]. It will take place at the Megaron Athens International Conference Centre [4].

For more details about the conference, visit the official website of EACL2009 [5].
