Thesaurus

Fri, 16/05/2008 - 17:44 — webmaster

ISBN 960-16-1582-2, p. 512

Thesaurus of Modern Greek (see sample pages [1]), developed under the supervision of Associate Professor of Linguistics Anna Iordanidou, was published by Patakis Publications in August 2005. With more than 22.000 lemmata, it is an innovative and handy dictionary that aims to help its user find the appropriate words in context or specify the meaning(s) of a word through its synonyms or antonyms (*see* detailed description [2]).

Read [3] about Thesaurus in Kathimerini of Sunday (May 7, 2006).

Thesaurus is distributed by Patakis Publications. Suggested retail price (incl. VAT): 19€. You can buy Thesaurus on-line from the following electronic book stores: Patakis [4], Eleftheroudakis [5], Papasotiriou [6], Kondyli [7] and BookStore.gr [8].
