Thesaurus of Modern Greek (see sample pages [1]), developed under the supervision of Associate Professor of Linguistics Anna Iordanidou, was published by Patakis Publications in August 2005. With more than 22.000 lemmata, it is an innovative and handy dictionary that aims to help its user find the appropriate words in context or specify the meaning(s) of a word through its synonyms or antonyms (*see* detailed description [2]).

Thesaurus is distributed by Patakis Publications. Suggested retail price (incl. VAT): 19€. You can buy Thesaurus on-line from the following electronic book stores: Patakis [4], Eleftheroudakis [5], Papasotiriou [6] and BookStore.gr [7].

The book includes a CD-ROM with Thesaurus Browser [8], a software application that enables the navigation in the electronic version of the dictionary. The book buyers can utilize the serial number found on the CD-ROM sleeve to register [9] their copy and get access to the following services:

- Download [10] new versions of Thesaurus Browser.
- Query [11] Thesaurus through MS Office Research Services (requires Internet connection).
